

INTRODUCTION

The Raphidioptera, or snake flies, are a relatively depauperate group in North America. Therefore none of the usual material is given here. The order has recently been revised for the world in: Aspöck, H., Aspöck, U., and H. Rausch. 1991. **Die Raphidiopteren der Erde**. In two volumes. Goecke und Evers. Krefeld. Volume I, 730 pp.; Volume II, 550 pp.

A slight nomenclatorial problem exists for this order. Navas was the first to propose order status for this group in the 1916 publication (Mem. R. Acad. Cienc. Artes Barcelona, 12:507-513.) spelling it as Rhaphidioptera. This original spelling of the order name is based on the emendation *Rhaphidia* of the Palearctic genus *Raphidia*. The commonly excepted version of the order name, however, is Raphidioptera. There are no rules for order group names and we have chosen to follow convention (Raphidioptera) after an informal pole of our colleagues.

INOCELLIIDAE

Negha Navas 1916

Negha inflata Hagen 1861 (Raphidia)
Inocellia hageni Albarda 1891 Syn.
Negha longicornis Albarda 1891 (Inocellia)
Negha meridionalis Aspöck 1988 (Negha)

RAPHIDIIDAE

Agulla Navas 1914

Glavia Navas 1916 Syn.
Franciscoraphidia Aspöck, Aspöck, and Rausch 1991 Syn.
Californoraphidia Aspöck, Aspöck, and Rausch 1991 Syn.

Agulla adnixa Hagen 1861 (Raphidia)
Raphidia oblita Hagen 1861 Syn.
Agulla arizonica Banks 1911 (Raphidia)
Agulla arnaudi Aspöck 1973 (Raphidia)
Agulla assimilis Albarda 1891 (Raphidia)
Agulla bagnalli Navas 1914 Syn.
Agulla astuta Banks 1911 (Raphidia)
Agulla singularis Carpenter 1936 Syn.
Agulla barri Aspöck 1973 (Raphidia)
Agulla bicolor Albarda 1891 (Raphidia)
Raphidia occulta Banks 1905 Syn.
Agulla bractea Carpenter 1936 (Agulla)
Agulla neglecta Carpenter 1936 Syn.
Agulla crotchii Banks 1912 (Raphidia)
Agulla directa Carpenter 1936 (Agulla)
Agulla faulkneri Aspöck 1987 (Agulla)

Agulla flexa Carpenter 1936 (Agulla)
Agulla herbsti Esben-Petersen 1912 (Raphidia)
Raphidia bifurca Banks 1920 Syn.
Agulla occidentis Carpenter 1936 Syn.
Agulla modesta Carpenter 1936 (Agulla)
Agulla banksi Carpenter 1936 Syn.
Agulla adryte Aspöck 1982 Syn.
Agulla aphyrte Aspöck 1982 Syn.
Agulla aphymphte Aspöck 1982 Syn.
Agulla nigrinotum Woglum and McGregor 1964 (Agulla)
Agulla paramerica Aspöck 1986 (Agulla)
Agulla unicolor Carpenter 1936 (Agulla)

Alena Navas 1916

Mexicoraphidia Aspöck and Aspöck 1970 Syn.
Aztekoraphidia Aspöck and Aspöck 1970 Syn.
Sombreroraphidia Aspöck and Aspöck 1970 Syn.
Aliaberaphidia Aspöck and Aspöck 1970 Syn.

Alena distincta Banks 1911 (Raphidia)
Alena minuta Banks 1903 (Raphidia)

GENERIC INDEX

Agulla Navas (Raphidiidae)
Alena Navas (Raphidiidae)
Aliaberaphidia Aspöck and Aspöck (Raphidiidae) *Alena*
Aztekoraphidia Aspöck and Aspöck (Raphidiidae) *Alena*
Californoraphidia Aspöck, Aspöck, and Rausch (Raphidiidae)
Agulla
Franciscoraphidia Aspöck, Aspöck, and Rausch (Raphidiidae)
Agulla
Glavia Navas (Raphidiidae) *Agulla*
Mexicoraphidia Aspöck and Aspöck (Raphidiidae) *Alena*
Negha Navas (Inocelliidae)
Sombreroraphidia Aspöck and Aspöck (Raphidiidae) *Alena*
